THE DIOCESE OF BURLINGTON

Year OF THE Family

THE JOY OF LOVE

CONFERENCE

August 25, 2018

9:30AM – 4PM

Capital Plaza Center, Montpelier

\$30 per person

vermontcatholic.org/YearoftheFamilyConference

Reflecting Pope Francis' call to share the good news of the family, this premier event of the diocesan Year of the Family will equip individuals with resources and strategies to more effectively support and reach out to members of their parish communities. The effort is inspired by the pope's apostolic exhortation, "The Joy of Love" ("Amoris Laetitia"). "There is a strong need to equip people for ministry at the local parish and community levels to be agents of outreach, healing and support," explained Deacon Phil Lawson, executive director of evangelization, catechesis, divine worship, marriage and family and respect life for the Diocese of Burlington. It is hoped that every parish in the Diocese will send at least two people to the conference. All are welcome at this daylong, diocesan event. For more information and to register, visit vermontcatholic.org/YearoftheFamilyConference.

MORNING KEYNOTE

Lisa Lickona, editor for saints at Magnificat

Mercy in the Heart of the Family

Family life seems to promise love and joy, yet often families fall short of the ideal. Is joy possible even amid brokenness and suffering? The answer lies not in what we do, but in accepting what God has done for us. In her keynote address, wife and mother Lisa Lickona will help us rediscover God's unexpected mercies.

AFTERNOON KEYNOTE

Simcha Fisher, author of "The Sinner's Guide to Natural Family Planning"

The Family As Icon

All families are icons — not so much in their polished perfection but in their ability to draw everyone who sees them closer to God. We serve God and one another well and rediscover beauty when we reject the pressure to present a pretty exterior and are honest about the joys, sorrows, failures and triumphs of family life and when we make it easier for others to be honest about their lives. This talk includes concrete suggestions for how to let God use real family life as a tool for salvation.
