

## Letters of Mercy

Write a message/prayer to God regarding a situation where you want to show mercy or ask for God's mercy. Possibly a difficult situation from years ago, or a relationship you want to ask God to forgive someone for something they did, or you want to ask God for mercy on you for something you did (note, this should not be a substitute the sacrament of confession).

This letter will be burned this evening at the bonfire. No one else will see it – it's between you and God.
